

Как посмотреть Author ID в Scopus

Краткое руководство

В адресной строке браузера введите **www.scopus.com**

Scopus

Login Required to Access Scopus

You are outside your institution's network. To access Scopus consider the following options:

- **Athens and Shibboleth (Institutional)** users please [login here](#).
- If you have **previously registered** with Scopus or ScienceDirect and your account is **validated for remote access**, you can [login with your username and password](#).
- If your account is **not validated for remote access**, you may need to **contact your institution's Scopus administrator (e.g. librarian)** to have remote access enabled for your account.
- Alternatively, you may be able to gain access through **your library's website** or **institution's VPN**. For more details on available options, you may need to **contact your institution's Scopus administrator (e.g. librarian)**.
- Although institutional access is required to fully benefit from Scopus, just go to [Author Preview](#) and test us by finding millions of available author details.

New to Scopus? [Learn more](#) about the world's largest abstract and citation database.

If you need further assistance, please [contact our support team](#).
